Invitation Letter

The 16th International Conference of the Society for the Advancement of Breeding Research in Asia and Oceania (SABRAO)

Dear Colleagues and Friends,

You are cordially invited to the 16th International Conference of SABRAO, taking place from **August 17-20, 2026**, in **Nanjing, China**.

Hosted by the Jiangsu Academy of Agricultural Sciences (JAAS), the conference will convene global experts under the theme "**Precision & Smart Breeding: Shaping a Climate-Resilient and Nourishing Future**" to tackle pressing challenges in climate change and food security through cutting-edge science.

Why Attend?

- **Publish in SCI Journal:** Outstanding peer-reviewed papers can be published in our official journal, The SABRAO Journal of Breeding and Genetics (IF 1.7).
- **Expand Your Network:** Connect directly with leading scientists and industry professionals worldwide.
- **Engage with Frontiers:** Explore genomics, smart breeding, phenomics, and other transformative technologies.
- **Multiple Ways to Participate:** Contribute through keynote sessions, symposia, poster presentations, and dedicated networking.

How to Participate:

- **Submit an Abstract:** Visit the conference website (<https://www.sabrao2026.cn/>) to submit your research abstract online.
- **Register to Attend:** All are welcome to register and participate in the full spectrum of scientific exchanges, whether presenting or not.

For the most current information regarding the program, accommodation, travel, and tourism in Nanjing, please visit the official conference website regularly.

We are confident that your expertise and active participation will be invaluable to the success of this conference. We look forward to welcoming you to the historic city of Nanjing for fruitful discussions and collaborative planning for the future of breeding.

With best regards,

Prof Xin Chen

President, Society for the Advancement of Breeding Research in Asia and Oceania (SABRAO)

Conference Chair, The 16th International Conference of SABRAO

Vice President, Jiangsu Academy of Agricultural Sciences
